

# Monitor Mount

# No matter where you look, we've got you covered

Here's a bird's-eye view of the combined coverage you can expect with A-dec's overhead monitor mount solutions.

- Yellow arc = wall mount
- Green arc = central console mount
- Blue circles = ceiling mount

Expanding your view in the treatment room can make a world of difference in your practice. And it's easier than you think. Imagine having the freedom to choose and position your monitor so it covers all of your needs—from patient consultation and education, to entertainment and practice management. A-dec's overhead monitor mount solutions offer just that. Your own choice of monitor. Wide range of motion. And incredible positioning for a clean, unobstructed view. Now that's coverage.

Entertainment

Consultation/education

Practice management

Every A-dec overhead solution is flexible enough to cover all three primary monitor applications.

# Recommended monitor mount locations

Type of light	Monitor mount location		
	Ceiling monitor mount off centerline	Ceiling monitor mount on centerline	Wall or Central Console monitor mount
Track-mount ceiling light	Better	Best	Good
Fixed-mount ceiling light	Good	Better	Best
Chair-mount light	Better	Good	Best
Preference-mount light	Best	Better	Good

Mounting locations can affect how dental lights and monitors work together. Using the chart, select your dental light, then choose the best mounting location for your monitor.

**Wide Variety of Mounting Choices** means more freedom to choose location and less interference with other equipment

**Exceptional Range of Motion** improves monitor positioning and viewing for you, your team, and your patient

**Robust Construction** for greater durability and practically maintenance-free performance for the life of the product

**Versatile Arm Design** includes easy adjustments and smart cable routing to simplify installation and monitor upgrades

**VESA Compatible Mount** (75 mm & 100 mm) accommodates monitors up to 20 pounds (9 kg)

Wall Mount with flexarm

# Complete picture, dependable options

A-dec ceiling, cabinet, and wall mounts make up only part of the complete monitor picture. Our selection extends to fully-integrated monitor mounts for A-dec 500, A-dec 400, A-dec 300, and other A-dec chairs, as well as for Preference Collection® cabinetry. Depending on your needs, each mounting location offers slightly different advantages. All share the common benefit of A-dec quality and reliable performance, backed by extensive testing. So you and your dental team can enjoy smooth operation, streamlined workflow, and better communication with your patients.

A-dec also offers a number of chair monitor mounts and an innovative gliding monitor track mount for Preference Collection treatment consoles and upper storage modules.
